

We are pleased to share that our Rig “**Dynamic Vision**” operating with ONGC has bagged the prestigious Oil Industry Safety Award (OISD) for “**Best Overall Safety Performance in Offshore Rigs category**” during the year 2014-15, in recognition of its overall Best Safety Performance amongst all the offshore Rigs operating in India.

The award was conferred by Mr Dharmendra Pradhan, Honourable Minister of State (Independent Charge) for Petroleum & Natural Gas, Govt. of India at a glittering ceremony held recently in New Delhi. Dynamic Drilling is indeed gratified to be recognised as **Safe** partner for our clients and proud to add another feather in our Safety Hat.

As an ISO 9001:2008, ISO 14001:2004 and OHSAS 18001: 2007 certified company Dynamic Drilling is proud of its ethics, heritage, drive and success in Safety and shall remain fully committed towards achieving highest standards in operations as well as QHSE.
